IN RE: MCI Telecommunications - Request for)
Approval of Revisions to its SCPSC) ORDER
Tariff No. 1 to Revise the MCI Prepaid) APPROVING
Calling Card Service and Change the) TARIFF
Rates for its Vision Regional Program.)

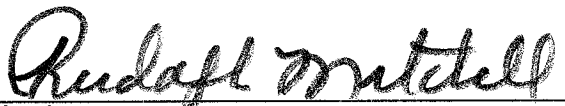

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Tariff filing of MCI Telecommunications Corporation (MCI or the Company). MCI proposed the following revisions to its SCPSC Tariff No. 1 in the filing:

1. Introduce directory assistance service for Option M (MCI Prepaid Calling Card Service).
2. Increase the Switched and Dedicated Access usage rate associated with the Vision Regional Program.
3. Incorporate into the Tariff MCI trademarks and service marks.

By letter, the Commission's Executive Director instructed the Company to publish a prepared Notice of Filing one time in newspapers of general circulation in the areas affected by the Company's Application. The Notice of Filing indicated the nature of the Company's Application and advised all interested parties desiring participation in the scheduled proceeding of the manner and time in which to file the appropriate proceedings. A Petition to Intervene was filed on behalf of Southern Bell Telephone and

Telegraph Company (Southern Bell). Subsequent to this time, MCI withdrew its request for revision to its Prepaid Calling Card Service, and its third request as listed above. Subsequently, Southern Bell moved to withdraw its intervention. MCI now comes before the Commission requesting approval of the remainder of the revisions to the Tariff. The Commission has examined the matter and hereby grants Southern Bell's Motion to Withdraw its Intervention based on MCI's removal of its proposed revision to its prepaid calling card service. The remaining portion of the tariff consists of rate changes to the Vision Regional Program, which this Commission believes conforms to the Commission's guidelines for rate changes below the maximum caps. See Commission Order No. 84-822, dated August 2, 1984 in Docket No. 84-10-C. The Commission, therefore, believes that the remainder of the Tariff should be approved as filed, and so orders. This Order shall remain in full force and effect until further Order of the Commission.
